*In-Net Program is available for Delta Dental of New Jersey and Delta Dental of Connecticut participating dentists.

**Refer to the Participating Dentist Handbook for clinical requirements for D0411 to be an eligible benefit.

Welcome!

On behalf of the CSDA Board of Governors, Annual Scientific Session Council members, Continuing Education Council members, and CSDA staff, we are excited to welcome you to CSDA 2021 Virtual Annual meeting. CSDA Connect offers an online conference experience that preserves many of the CSDA Annual Meeting conference activities you love and delivers CE and personal connections right to where you are!

In collaboration with specialty societies, we offer a wide range of sessions for the entire dental

industry. The program will take place over several days, with sessions in the afternoon and evenings to accommodate various schedules. For the first time in many years a Saturday morning is included in the schedule.

Attend one or all of the sessions live or on-demand and earn up to 36 hours of CE credit. Get the most out of your conference experience by networking, visiting the exhibitor pages and attending the social events.
